

ADDRESS OF THE APPLICANTS ARE VERIFIED FOR FINANCIAL INSTITUTIONS AND SECURITY AGENCIES BEFORE RECRUITING HIM.

ADDRESS VERIFICATION

INGENIOUSTRIBE substantiates the address by taking the real proof from the desired destination through agent in personal.

This verification is done for all the levels of hiring's to keep your company safe from negligence, either it to be CEO of the company, executive level employee, manager or clerical designations.

The same is also done for peons, drivers, riders and gate keepers or guards.

Address of the applicants are verified by financial institutions and security agencies before recruiting him.

It is very important for the hiring organization to keep a track record and assess it related to the individual's whereabouts and how often he/she changes them.

This is another measure carried forward to secure an individual's hiring.

Ingenious tribe substantiate the address by taking the real proof from the desired destination through agent in personal. It is also verified through identity of the individual.
